

HOW TO CONNECT TO NOVICELL MANAGER ACCOUNT

# PINTEREST

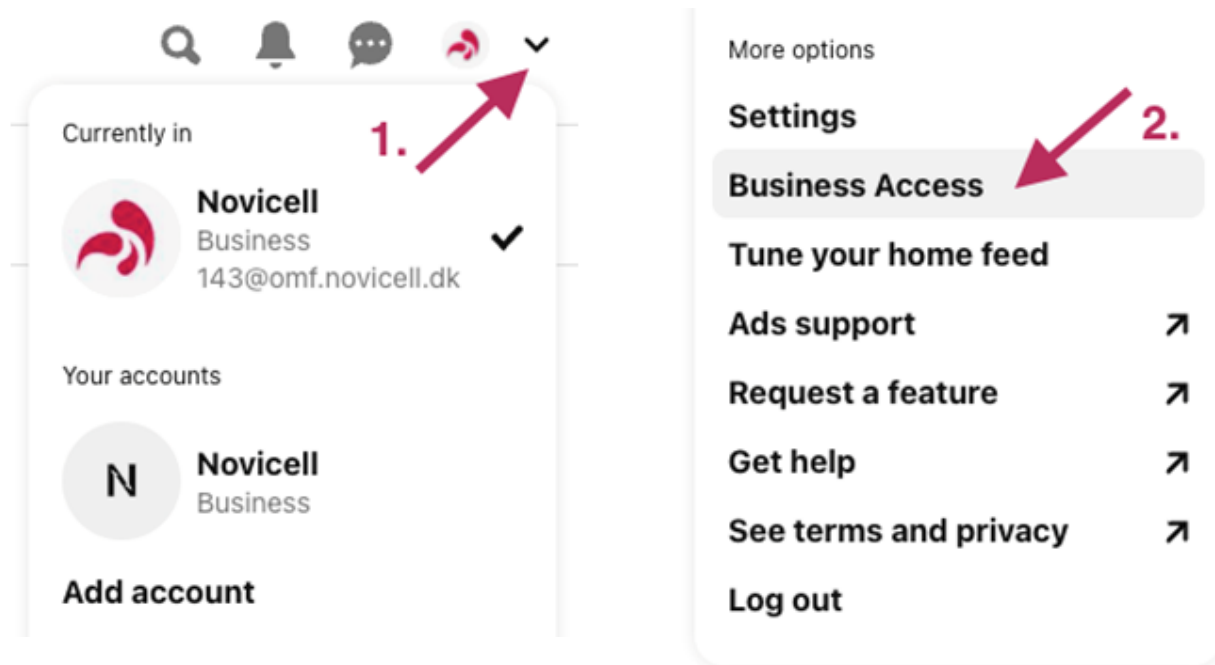

2022

# STEP BY STEP

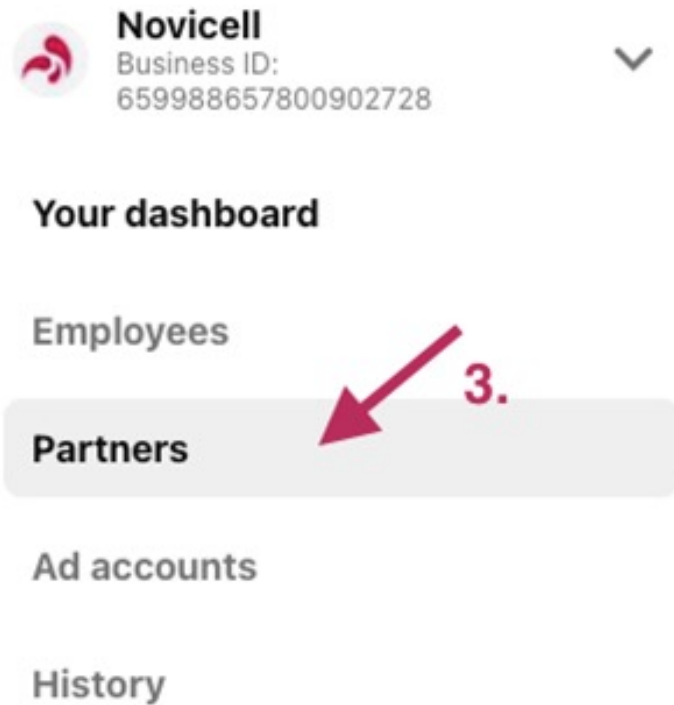

Start by logging onto your Pinterest Business Account – press “login” in the upper right corner.

1. Click on the arrow in the top right corner.
2. Then select **Business Access**.

# STEP BY STEP

3. Then select **Partners** on the left side.

# STEP BY STEP

4. Click on the red button **Add partner**.

## Partners

View and manage the external partners that work with your business

# STEP BY STEP

5. Insert Novicells partner ID: **659988657800902728**

6. Choose **Invite this partner to access to your ad accounts and tools** and press **Add partner**.

7. Give administrator access.

## Choose how to add your partner ×

Partners are businesses you want to work with, not individual people

Partner business ID

659988657800902728

You'll need your partner to securely send their business ID to you in order to establish a partnership. A business ID can be located in Business Access under the business name.

**Invite this partner to access to your ad accounts and tools**  
Recommended for brands who want to add their agencies and share their business' assets with them

**Request access to this partner's ad accounts and tools**  
Recommended for agencies and external partners who need access to their partner's ad accounts and tools
